

Discover the possibilities

www.st-ives.cornwall.sch.uk

As the new term begins, I have stepped into the role of Careers Lead at St Ives School. There is a very strong tradition of high quality careers, education, information and guidance at the school and I aim to continue with this fantastic provision. If you have any queries with regards to careers, please do not hesitate to contact me via email RWilson@stives.tpacademytrust.org

EDUCATIONAL EVENTS

There are many free courses and virtual work experience opportunities that students can take part in as part of their own personal development outside of the usual school curriculum. These look great on CVs, college and job applications, and provide real skill development from the comfort of your own home!

- **To find out what virtual work experience entails**, as well as finding out what companies are offering it at the moment, click [here](#).
- **Barclays Life Skills** offer work experience, and it's free to sign up to find out what they are offering. Click [here](#) to find out more about this.
- **Brighton and Sussex Medical School – becoming a Doctor**
Have you thought about maybe becoming a Doctor or studying medicine? Work experience is an incredibly important part of this and it is essential that you start preparing yourself early. [Brighton and Sussex Medical School](#) have put together a wonderful opportunity for all who are considering medicine to gain some valuable work experience with them. They offer up to 30 hours work experience, and provide you with a certificate of completion.
- **STEM/Engineering work experience**; [Jacobs Juniors](#) work experience will give you the opportunity to gain virtual work experience with a real, very successful company. You will be tasked with designing a coronavirus research facility. You will be introduced to a wide range of STEM subjects. They provide up to 10 hours work experience and provide a certificate of completion.

EDUCATIONAL EVENTS CONT:

- **Architecture work experience;** [Halliday Fraser Munroe](#) This would be ideal for Year 10 and 12 students, but you really need to have a passion for Architecture. This is a real company, who are running a fantastic work experience programme online. You will complete 2 tasks including designing a house for a celebrity. If you submit your files you will be able to obtain a certificate
- **Speakers for Schools** allows employers to solve key problems in their business while delivering meaningful and structured work experience to more young people wherever they reside. [Click here](#) to sign up.
- **Observe a GP;** virtual medical work experience. [Observe GP](#) is an initiative which was set up by the Royal College of General Practitioners which is a professional body within the UK for GPs. Observe GP is a free system that was created for the purpose of giving every medical applicant a fair chance at gaining work experience.
- **Law Work experience;** register with [White & Case](#) where it will allow you to gain first-hand insight into life as a White & Case lawyer and experience the realities of cross-border law

SCHOOL EVENTS

Some Y10 students still need to ensure that they have returned their completed yellow forms to Mrs Clemson. Without these, we cannot guarantee that students will be able to attend their placement. If you have any questions about this, please email Mrs Clemson lclemson@stives.tpacademytrust.org

LABOUR MARKET INFORMATION

The 10 Opportunities booklet is a useful resource to identify where Cornwall's industry is developing and how employment opportunities are changing over time.
