SCHOOL EVENTS

Throughout October students will take part in virtual 'I Love My Job' sessions with a range of employers and alumni. This is part of our commitment to Careers Education and for students to have a full understanding of the world of work.

21st October- Year 9 Introduction to Higher Education.

22nd October- Year 11 CSIA

Camborne Sixth Form and Camborne School of Maths and Science will be visiting Year 11 on 22nd October. Students will get to see an overview of what options there are at these Further Education establishments.

All Year 9 will have an assembly which introduces what University is and what qualifications are on offer.

3rd November- Year 9 and 10 Falmouth University

Year 9 and 10 students will have a virtual session delivered by Falmouth University during study time on 3rd November. This will be an opportunity to explore what the University offers and what Higher Education entails.

24th November- Year 8 Careers Carousel

Year 8 students will have an amazing opportunity to meet a range of employers at our annual Careers Carousel event. This is an opportunity for students to learn about Local Labour Markets and to gain an understanding of the world of work.

Thurs 5 May - Open Evening, 5-8pm

CORNWALL COLLEGE

For the Cornwall College Group open events please see the attached poster.

HE EVENTS

“Peatlands: the unsung heroes in the fight against climate change” With Dr Scott Davidson

Peatlands are one of the most important ecosystems within the global carbon cycle, but historically they have been overlooked, overused and underappreciated. However, things are now changing, and people are finally beginning to acknowledge how important these wonderful ecosystems are. This presentation will look at what a peatland is, why they are important and the role they play within the fight against climate change.

Dates for this webinar are **26th October 10:00** & **4th November 11:00**

Both talks last 30 minutes with time for Q&A after & are suitable for individual students or teachers to show the whole class.

If you were interested in **signing up** for these events please email sciengoutreach@plymouth.ac.uk to confirm your place (please also state if you are a teacher or student).

INFORMATION EVENING THURSDAY 21ST OCTOBER, 6:30PM ZENNOR BUILDING

This time next year your child will have left school and be starting the next step of their education. The Information Evening is a time for you, along with your child / children to begin to explore the opportunities available at your local college.

We will begin the evening with a talk in the lecture theatre giving an overview of college life and introduce the various types of courses available and the different learning styles that match each type of course. We will demystify some of the language of education; A Levels, Extended Diplomas, Technical Diplomas, VTCT, UAL, T Levels etc to help you to support your child / children to make a positive choice about their next step.

Following this presentation subject staff will be available to talk to you about the courses and additional activities and support available at the college.

The purpose of this introductory event is for you to gather information and spend some time talking to your child about their options. This will mean that when you visit our Open Day on Saturday 27th November 10am-3pm, you will already have some ideas about the courses you are interested in and the whole site will be open for you to tour the campus look at the facilities and talk to the staff in their usual teaching environment.

All schools have an allocated time slot to avoid overcrowding and maintain covid safety. The time slot for St Ives School is 6:30pm. We would encourage the use of face masks but this is not mandatory.

If you have any queries about this event please contact emmakelly@truro-penwith.ac.uk.

Best wishes and I look forward to seeing you
