

# ST IVES SCHOOL CAREERS TEAM

“

*Kaitlyn Borghi*

## **My Name is Kaitlyn Borghi.**

I chose to become a Careers Ambassador because I would like to help children in younger years have a wider knowledge of what they can do when they leave secondary school and go on to higher education.

I think the best bit about being an ambassador is that you get to help in assemblies and other school events that you might not have had the experience of doing otherwise.
