

ST IVES SCHOOL ALUMNI

“

Jay Bryce

Vocal Coach, Actor, Singer

What was your favourite subject at school and why?

My favourite subject at school was always Drama. I loved my teacher, Ms Helleman. I loved any chance to show off and the way Ms Helleman ran the class always gave students a chance to be themselves and to have fun.

What has been your greatest achievement in life and how did your experience at St Ives School help you to achieve other successes?

I'm most proud of being able to say I have performed in the West End, in several Musicals. The opportunity to perform in school, in the school Musical "The Wiz" and several variety shows, helped to give performance opportunities and know this was a path I wanted to go down in my future.

What one piece of advice would you give to current students?

One piece of advice I'd give to current students is to try to embrace all opportunities you get at school, whether it be with sport teams, musical instrument lessons, or just in lessons during school-time. Try to be the best you can be.

What is your next big goal?

My next big goal is to try to help inspire people that want to work as singers and performers and start to give them the confidence to find a platform to sing. I work as a singing coach, as well as still performing, and am always inspired by my students and hope to keep inspiring them with their voice and work.
