The English Baccalaureate at St Ives School

English

GCSE in English Language (students must also sit English Literature)

Mathematics

GCSE in Mathematics

Science

From 2014, to count in the Science Baccalaureate either three out of the four single sciences (Biology, Chemistry, Physics and Computer Science) or Science Trilogy double award must be secured at grade 5 or above.

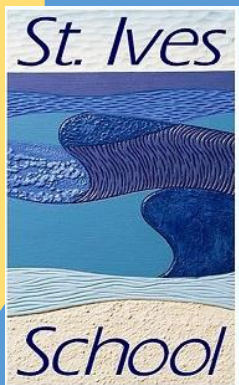

Humanities

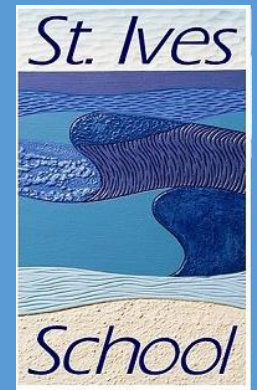

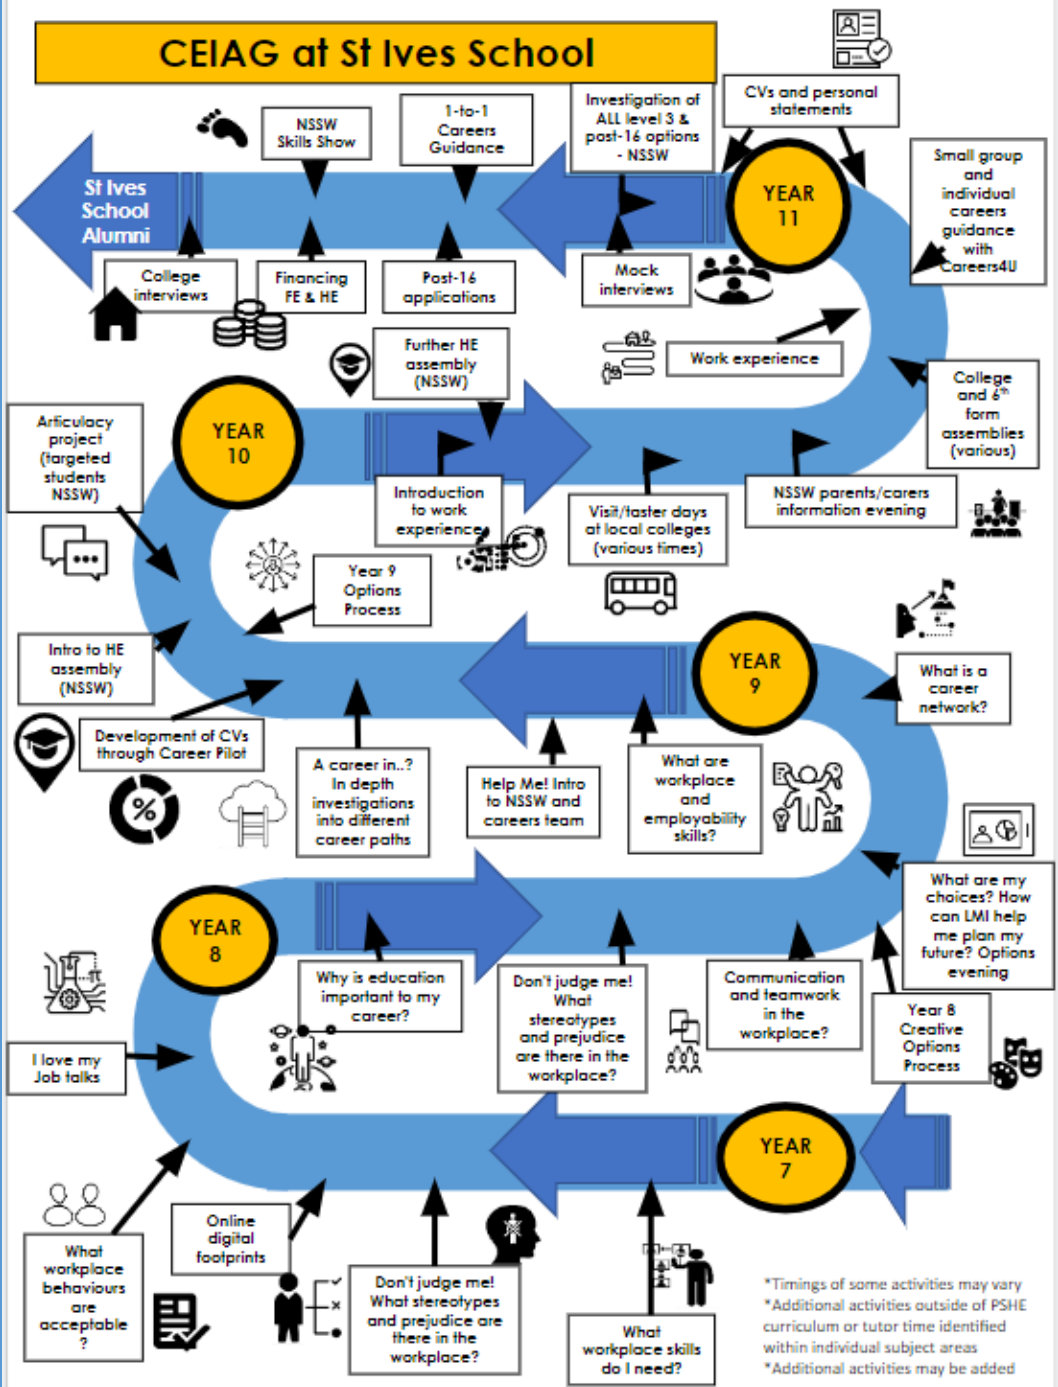

GCSE Geography

GCSE History

Languages

GCSE French

Students might want to choose an optional subject because:

- ✓ You enjoy the subject
- ✓ It will help with your future career plans.
- ✓ You want to continue this subject post 16
- ✓ You are successful in this subject.

Poor reasons for choosing a subject:

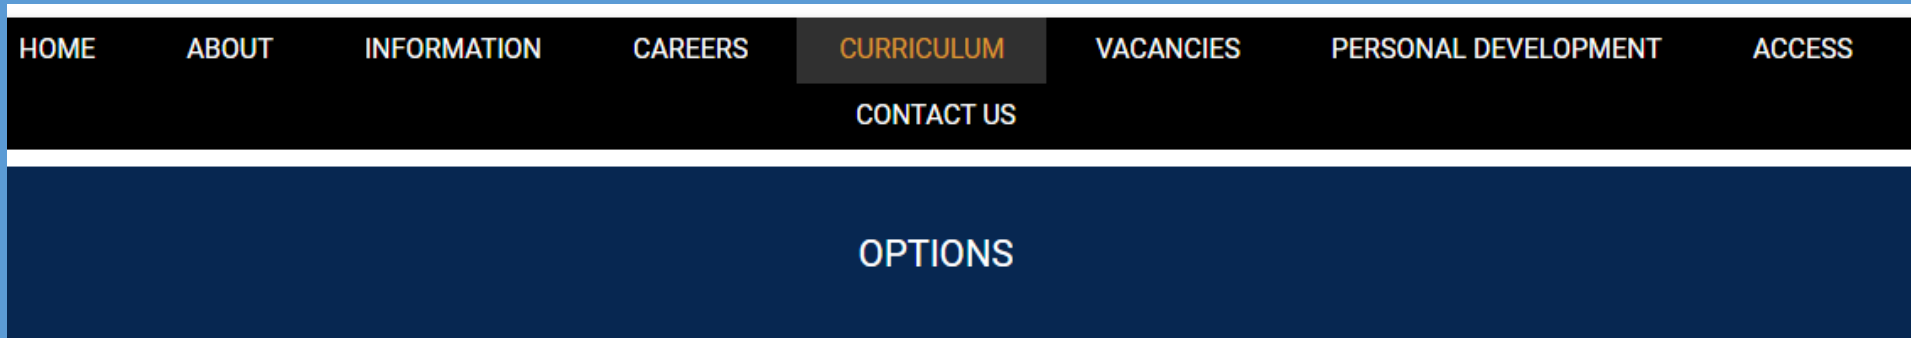

- x You like the teacher
- x You think it is easier than other subjects
- x Your friends are doing it.

What to do next.....

Visit our Website

<https://stivesschool.eschools.co.uk/web/options>

Visit our website,
read the booklet
and watch the
videos.

Discuss:

- At home
- With subject teachers
- In appointment at school

Make
your
choice

Deadline – Friday 2nd February
