GCSE Results Day 2024

Dear Students, Parents and Carers,

As we approach the end of the exam season, I would like to make you aware of the arrangements for students to collect their results. Y11 students are warmly invited to collect their exam results from school on Thursday 22nd August 2024 between 8.30-10am.

If somebody else, for example a parent or other relative, is picking up results on their behalf then we will need written consent, signed by the student, in order to release the results. This should be dropped off to Ms Farrington before the end of term.

Staff will be on hand to offer support, and information regarding post-results services and appeals can be found on our website. Post-16 Colleges are also offering help and support for students at this time and further details are available on their websites.

We look forward to congratulating our students on their results which reflect a tremendous amount of hard work and dedication.

Yours faithfully,

Sara Farrington
