ST IVES SCHOOL

Every Child, Inspiring Learning, Every Day

Dear Parent/Guardian,

As we continue on our Year 11 journey together, we are committed to providing our students with the necessary support to help them succeed in their upcoming GCSEs. In preparation for the compulsory Period 5 sessions that will begin after the February half term, we are introducing targeted intervention sessions for some students, starting on **Monday, 14th October**.

These intervention sessions will be *invitation only* and are designed to support students who may need additional time with coursework or have been identified as having gaps in their knowledge. The sessions will focus on strengthening their understanding in specific subject areas and providing them with the extra help they need to achieve their best.

A timetable of the intervention sessions is below, and subject teachers will be in touch if your child has been invited to participate in these sessions.

We kindly ask for your support in ensuring your child attends these vital sessions if they are invited. Regular attendance will be crucial in helping them close any gaps and build the confidence they need ahead of their mock and final exams.

Thank you for your continued support in your child's academic journey. Should you have any questions, please don't hesitate to contact us.

Yours faithfully

Kate Jones

Deputy Headteacher
