

Elevate Clubs – things to remember

- You are welcome to attend as many clubs as possible, even if you haven't completed the google form or signed up. Just turn up and make sure you get registered (not food club as spaces are limited.)
- Attendance at clubs is a really important and fun part of school. It's a great chance to learn a new skill or try something you haven't done before
- You can only attend a lunch time club during your lunch time – you can't come out of tutor to do this
- This term we have our first student led club which is proving to be very successful – see Mrs McKinnell if you would like to organise and run a student led club

Lunch time clubs
