Year 10 College Taster Days were unfortunately cancelled in June. We have a new date of Thursday 9th September for the Cornwall College Day. Letters will be sent towards the end of the term.

Please see details of 2 free live career promotion webinars from the Society of Radiographers. These webinars will promote therapeutic radiography on the 7th July and diagnostic radiography on the 14th of July. Please can you share this great opportunity with your students so they can learn more about these amazing roles.

The events are now up online. Please do share the registration links below:

Next Steps Southwest is hosting a parents evening workshop that is taking place on the 19th July.

This one hour and 30 minutes evening session aims to engage parents and carers in their child's progression into higher education (HE).

NSSW will begin the evening by highlighting the benefits of HE and the options available to students. Parents and carers will then have the opportunity to take part in a workshop, delivered by MADE. This workshop will cover topics like: strategies to support a child's learning, positive study habits, how to set up an effective study zone, how to manage time efficiently, revision techniques, motivation and reflection on study strategies.

The evening will finish with a short Student Finance session, followed by a Q&A - so you can get all of your important questions answered.

Please see the attached Information sheet for booking information.
