ST IVES SCHOOL

Every Child, Inspiring Learning, Every Day

1st July 2025

GCSE Results Day 2025

Dear Students, Parents and Carers,

As we approach the end of term, I would like to make you aware of the arrangements for students to collect their results. All students are warmly invited to collect their exam results from the school library on Thursday 21st August 2025 between 9.30-10.30am. A copy of the statement of exam results will also be sent to the student's school email address, after the event in the library.

If somebody else, for example a parent or other relative, is picking up results on their behalf then we will need written consent, signed by the student, in order to release the results. This should be dropped off to school before the end of term.

Staff will be on hand to offer support, and information regarding post-results services and appeals can be found on our website. Post-16 Colleges are also offering help and support for students at this time and further details are available on their websites.

We would like to congratulate our students on their results which reflect a tremendous amount of hard work and dedication.

Yours faithfully,

Sara Farrington
