6 September 2024

Dear Parents / Carers

Re: Key Stage 4 Home Learning Timetable and Expectations

As we embark on another exciting academic year, we would like to provide you with important information regarding the home learning timetable and expectations for students in Key Stage 4.

Home Learning Timetable

To support our Key Stage 4 students in their studies, we have developed a structured home learning timetable that is designed to enhance their learning experience and prepare them effectively for their exams. The timetable outlines the expectations for each subject and is intended to balance the students' workload while allowing them time to manage their commitments effectively. To help students organise themselves, subjects have been kept to the same day on both week A and B.

Here is the home learning schedule:

Students will have access to Home Learning Support club at 3.20pm-4.00pm in the library Monday to Thursday. Students will have access to computers and members of staff will be on hand to support with home learning, and provide complimentary refreshments.

	Week	Monday	Tuesday	Wednesday	Thursday	Friday
Yr 10	A	Option A	English	Maths	Option C	Science Option B
	B	Option A	English	Maths	Option C	Science Option B
Yr 11	A	English	Option A	Maths Option B Option C	Science	Option D
	B	English	Option A	Maths Option B Option C	Science	Option D

Headteacher: Mr S Horner MEng

We greatly appreciate your support in helping your child manage their home learning. Encouraging a routine, providing a quiet study space, and discussing their work regularly can make a significant difference. Additionally, please feel free to contact us if you have any concerns or require further information about the home learning process.

Thank you for your continued support and cooperation. We look forward to a successful year ahead and to working together to support your child's educational journey.

Yours faithfully

Alex Kearns
Associate Assistant Headteacher
